Dear Church Family and Friends,

Subject: *Pledge Commitment and Renewal*

I would like to share with you some of the reasons why I make a financial pledge commitment to the church.

First, it allows me to be intentional about giving. Rather than a matter of impulse or disposable income, the financial commitment I make is calculated based on what I want to give as a matter of faith and obedience to God. I like to use the pattern of a tithe or 10% of my annual income as a measure for calculating my charitable giving.

Secondly, it honors my values and priorities. By making a pledge commitment I prioritize God and my faith ahead of other items I might wish for, but don't truly need.

Thirdly, it helps me be accountable should my giving fluctuate during the year. I prefer to make my pledge known so that I can follow my giving statement online (using CCB—our church database) and compare what I've pledged with what I've actually given year-to-date and, if need be, make necessary adjustments to fulfill my commitment by yearend.

We invite you to renew your financial commitment to God with a pledge or estimate of giving for the coming year. If you desire your pledge amount to appear on your giving statement, then [click here to make your pledge online](#). All giving is processed and kept confidential (by our Finance Coordinator and Church Treasurer). If you have questions, please contact Finance Coordinator Ann Hall at 890-8014 or Ann@fpcsantarosa.org.

Whether you make a pledge/estimate of giving for the year or follow some other pattern for giving, we are grateful that you support the mission and ministry of First Presbyterian Church of Santa Rosa.

Alongside you for Christ and His Kingdom,

Dale
