

## Read Mark 10:45 DAY 1

Imagine the wealthiest king, sitting on a tall throne, crowned with jewels, surrounded by servants bowing down at his feet. What might happen if that king stepped down from the throne, took off his royal robe and jewel covered crown, and lined up with the servants instead?

That's what Jesus did. He left the beauty and perfection of heaven behind to become like a servant. Jesus chose to enter our world as one of us, completely human, able to feel and experience all the things we experience so that we could know Him. Jesus chose to put you first.

**Grab a piece of paper and draw a picture the night Jesus was born.** Think about how Jesus left heaven for you, in order to put you first. Underneath your drawing write the words "Jesus put me first."

Spend some time today thanking Jesus for choosing to leave heaven and come to earth so that He could put you first. Ask Him to help you follow Him this week as you

choose to put others first, too.

## Read Matthew 11:29-30 DAY 2

Do you know what the word "pride" means? Pride says, "Look at me, I'm awesome. Everything I do is awesome. And you will be awesome too if you hang out around me."

That's the opposite of how Jesus acted while on earth. Instead of showing off who He was (the SON of God!) or what He could do (like healing the sick or giving sight to the blind), Jesus was humble. He was the most important person in every room He ever entered and yet He never asked for special treatment.

Following Jesus means that we do our best to act and live the way He did. Instead of constantly trying to get what we think we deserve, Jesus followers should be flipping that idea to give others what they deserve. Jesus put us first. And when we follow Him, we can do the same for others.

## Read 2 Corinthians 8:9 DAY 3

**Fill in the blanks below (according to today's verse.) Jesus became poor to \_\_\_\_\_ you.**

**Because he became poor, you can become \_\_\_\_\_.**

Jesus was rich in every way. But still He chose to leave heaven behind, to enter into our sinful, imperfect world.

Jesus became poor to help us. Not so that we could become millionaires in this life, but so that he show us and teach us about love.

This week, whenever you see a coin or a dollar bill, take a second to thank Jesus that he chose to put you first, so that you could become rich by knowing Him.

## Read Hebrews 12:2

### DAY 4

Over two thousand years ago, Jesus suffered and died the worst kind of death. But that terrible Friday that Jesus died isn't the end of the story. Because on Sunday, when Jesus' friends went to the tomb, it was empty! The grave couldn't hold Jesus—He's alive!

That's why Easter is the best day ever. Jesus knew while He was on the cross that Sunday was coming. He suffered because of the joy He was looking forward to! If there were no Easter, no resurrection, then Jesus wouldn't be worth following. But because Jesus faced death and beat it, because He is alive, Jesus is worthy of all of our worship and honor and praise!

Grab six plastic Easter eggs. Write out each sentence of the verse onto a strip of paper, fold it up, and place one inside each egg. Ask a sibling or parent to hide the eggs. Search to find them then put all the sentences in order. Read the verse with your sibling or parent. Then spend some time thanking Jesus for what Easter really means.
